HOME BOUND

Account

This section spells out the terms and conditions for the Home Bound Account.

CONTACT

National Investment Bank Limited will contact Account Holder(s) by post, telephone or e-mail via the current address. The Bank is not liable for any correspondence delivered to any past addresses. Account Holder(s) has the responsibility to notify the Bank of change of address and contact details immediately they occur to facilitate amendment of same.

Contact will only be made to Account Holder(s) unless the Account Holder(s) instructs otherwise.

INSTRUCTIONS

Instructions to the Bank can be sent either by secure fax in a letter by registered mail giving personal details and the name and address of the recipient, their ID type and number.

Instructions from Account Holder(s) shall receive immediate attention on receipt. If an Account Holder(s) wishes to change or stop an instruction, they should quickly inform the Bank within four (4) hours of the receipt of the original instruction. The Bank will apply the usual charges if we are unable to cancel the instruction.

The Account Holder(s) will be responsible for ensuring that cheques are kept safe. Until the Bank receives notice that a cheque book or leaflet has been stolen, the Bank will continue to honour all cheques received and act on them.

The Bank acts on instructions given on a document such as a cheque or a letter which bears the Account holder's signature. On instruction, the Bank will debit the specified amount to the account. Any information given by Account Holder(s) to the bank will be deemed as correct.

The Bank will refuse to honour an instruction for the following reasons:

- (a) If the Bank suspects that the instructions did not originate from the Account Holder(s)
- (b) The instructions are not clear
- (c) The instructions, when carried out would break a law, regulation, code or other duty which applies to the bank.

Financial and other limits may be applied to Account Holder(s) instructions. These limits may vary and be applied with immediate effect. However, Account Holder(s) will be informed if a transaction exceeds any of the limits.

CREDITS AND DEBITS TO ACCOUNT

Instructions and credits for an account before the close of the Bank's working hours will be processed on that day or on the date specified in the instructions. Instructions and credits received after close of the Bank's working hours will be processed on the next working day. The Bank's cut-off time is 16.30 p.m. GMT and is also the latest time each day that the Bank can make payments or transfers from an account.

Statement balance will show credits received including cheques which are not cleared. To calculate interest, we generally treat cheques as cleared when we receive value for them from the relevant bank through the clearing system.

Cheques should be written by Account Holder(s) in such a way that they are not easy to alter.

Account Holders(s) can stop a cheque before it is presented for payment. The Bank charges for stopping a cheque.

Unless the Bank agrees otherwise, when Account Holder(s) gives an instruction to make a payment, the Bank will decide how the payment will be effected.

INTEREST AND CHARGES

Interest is calculated on daily basis on the amount of the cleared balance on each account, provided the balance meets the bank's interest earning threshold.

We reserve the right to charge for additional services and to vary interest rates and charges from time to time in accordance with Bank of Ghana regulations. This could be done without recourse to Account Holder(s).

STATEMENTS

Statements will be provided on quarterly basis or as may be required by Account Holder(s) showing all transactions covering the period. Account holder(s) should check their statements carefully and inform the Bank of any discrepancy as soon as possible. We will supply additional statements on request at a fee.

Messages may be put on statements of account to inform Account Holder(s) about changes in the terms and conditions governing the account.
